

3 soveværelse Byhus til salg i De Cala Llonga, Ibiza

1.895.000€

This townhouse, currently being renovated, offers spectacular views of the sea and mountains. With a total of 3 bedrooms and 3 bathrooms, plus the possibility for a guest house that can serve as an additional bedroom with a bathroom or a gym, an office, among other uses, it provides exceptional versatility.

As for the layout, downstairs you will find two bedrooms with two bathrooms, a kitchen, a living room, and a spacious terrace with sea views. While upstairs is the master suite, featuring a large bathroom, a bedroom with sea views, a dressing room, and a private terrace with sea views. With these additional features, this townhouse becomes a home of luxury and comfort for the whole family.

The beautifully maintained garden has space for parking several cars. Additionally, it offers a lovely and spacious communal pool with a restaurant. The house is being renovated with attention to every detail, making it an ideal choice for families. Situated on a dead-end street, in a quiet and peaceful area, it offers a noise-free environment.
