Charming apartment in one of the best areas of Punta Prima, only 2 minutes walking distance to the beach and with sea views from the spectacular terrace. Apartment with 2 bedrooms, 1 bathroom, large and bright living-dining room, open kitchen, gallery, with spacious terrace and sea views from two different areas: in the distance we see the sea in the area of Torrevejea and in the other, much closer, the sea of Punta Prima Beach. It has a perfect orientation to receive light in the morning, but not the heat in the afternoon. It is a fresh and bright flat. There is parking space, the building has a lift and is located in an urbanization with playgrounds and gardens and with direct access to the beach of Playa de Prima. This beach, as well as having a great location and access, has a lift, which is rare. It is a perfect location, in a quiet place, with wide avenues and parks, with the Paseo Maritimo and the sea just 2 minutes from the urbanisation and next to one of the best restaurants in Orihuela Costa. Surrounded by all necessary services and amenities: supermarkets, pharmacies, restaurants, bars and close to several golf clubs. Good access to the main road N-332, only a few minutes from Torrevejea and 45 minutes from Alicante and Murcia airports. Ideal as an investment, second home or even to live all year round. Come and see it, there are few opportunities to buy a property in such a beautiful area and so close to the beach.
