

3 soveværelse Byhus til salg i Las Casillas de Martos, Jaén

105.000€

Lakeside property surrounded with mountain views in the town of Las Casillas, in the Jaen province of Andalucia, Spain. This is a stunning location and a beautiful spacious 235m² build property. As soon as you enter the house you are greeted with a dining area and on a large bedroom on the left. Through the dining area is a sitting room that leads into a generous sized kitchen that also has a walk in pantry. From the kitchen, you can access the roof terrace, that looks over the lake. The terrace leads into a large bathroom and laundry room. Returning to the living room, you have the stairs that take you to the first floor. Halfway up the stairs, there is a large storage room. At the top of the stairs are 3 similar, good-size bedrooms. Below the house, there is a huge garage, with two extra side rooms for more storage or even a separate apartment. The roof was renewed several years ago. This is a great, solid house, with little needing doing. There is a plot of land opposite the house that is also for sale separately, this would make a garden or huge patio. A must see to appreciate the views from the property.
