

## 3 soveværelse Byhus til salg i Martos, Jaén

**132.500€**

Beautiful, large property with ideal central location, in the lively town of Martos in the Jaen province of Andalusia, Spain, just seconds walk from the main centre yet in a quiet, narrow street. This property's entrance has a tastefully decorated hallway with a living room to the left, a dining area with fireplace which is open plan into the bright, rustic fitted kitchen. There is access to a small patio off which is a toilet. Returning to the hallway the stairs are ahead leading up to a single front bedroom with balcony, across from here is a dressing room or fourth bedroom and down the hall the master bedroom, another single bedroom and a very nice bathroom. The stairs continue to the second floor and opens into a spacious lounge, there is also another room or office, a bathroom, store room and access to the private roof terrace with views of the large church of Santuario de la Virgen de la Villa. A fully renovated, all new house with air conditioning, double glazing with fly screens and is ready to go with furniture too. A lovely home that must be seen.
