

3 soveværelse Byhus til salg i Martos, Jaén

23.000€

Situated in the lively city of Martos in the Jaen province of Andalusia, Spain. This compact house in need of some modernisation has another 3 storey house (also for sale TH4920) on the left side and would make an excellent bolt hole. Or purchase the two together and make one larger house with great sized roof terrace. Enter the front door from the narrow, no traffic, street into the living room beyond which to the right is the kitchen. To the left there are metal steps up to the first floor with a bathroom and a bedroom. At the top of these steps it would be easy to connect with the house next door. Up further metal stairs is another bedroom and window with far-reaching views. This is a solid house needing renovation.
