

5 soveværelse Villa til salg i New Golden Mile, Málaga

1.450.000€

The completely renovated building is located behind the public gates of the Arboleda residential community, in the heart of the new Golden Mile between Estepona and Marbella. Arboleda offers a comfortable and secluded location, with all villas facing south and west, with spectacular views of the green forest - a nature reserve of 50,000 m2. Beautiful, bright house with curved walls of Cortizo glass opening onto a spacious balcony perfect for entertaining and dining outside with braai and large heated pool. The spacious living area with 4.5m ceilings creates a bright and elegant ambiance throughout, the open plan dining room has a beautiful kitchen with a central island, all areas overlooking the tropical gardens, offering privacy and comfort. A short walk to the local supermarket and various shops, bars, restaurants, hairdressers, pharmacy, vets, and local amenities.
