

4 soveværelse Villa til salg i Benahavis, Málaga

4.450.000€

If you are looking for nature, views, and other great qualities, then this house could be your dream home. Entering the property, you will immediately appreciate a wide road that can accommodate five cars, three of which are shaded all day. A beautiful front door welcomes you to this masterpiece of grace. As you walk through the front door you are immediately drawn to some of the great views in the area. The spacious living room and open kitchen create a cosy atmosphere, and large living room windows curve along the walls, making nature and the sea part of your home. The villa's infinity pool gives the illusion of being directly connected to the Mediterranean Sea and the large sun terrace has a large outdoor kitchen that allows you to sit and dine outside. The villa also has its own Jacuzzi, where you can sit and enjoy the view while sipping champagne. On the same floor are two further guest bedrooms, both en-suite and both with panoramic sea views. On the second floor there is a very large bedroom with dressing area, en-suite bathroom, and beautiful views. On one floor you will find another very large bedroom, with its own en-suite bathroom. All rooms open onto a private terrace with panoramic sea views. The ground floor is now open and offers endless possibilities to personalize your space, with enough room to add two more bedrooms, a cinema room, gym, and spa. This property comes fully furnished!
