420.000€

This interesting urban plot is located in the urbanization of Cala Mesquida, a few minutes walk to the famous beach of Cala Mesquida. The land is located in a quiet area with unobstructed views. The plot has a slight slope, which would allow unobstructed views, obtaining a partial view of the sea, once the house is built. The land, wooded, is semi-enclosed by a masonry wall and grid with access from 2 streets. The land does not have water or electricity, although the electricity and water connections are at street level. The buildability of the plot is as follows: Maximum occupancy is 25% of the land. The minimum area of the plot is 600 m<sup>2</sup>. The minimum facade of the lot, 16 ml (linear meters). Maximum volume above ground 2.0 m<sup>3</sup>/m<sup>2</sup> and below ground 0.7 m<sup>3</sup>/m<sup>2</sup>. The maximum buildable height is 10 meters, comprised of: Basement + ground floor + 2 floors. Isolated building. Intensity index, 1 one house every 600 m<sup>2</sup> of land (2 houses in total). The use of the construction could be: Single-family housing, sports, and social assistance. Two chalets or villas could be built, of about 500 m<sup>2</sup> with swimming pools or a single house of about 1000 m<sup>2</sup> with a swimming pool. This land is ideal for small investors.
