GROUND FLOOR APARTMENT

This ground floor apartment is located on Phase 1 of the Resort.

It enjoys open views over the communal gardens to the Jack Niklaus 18 hole golf course beyond.

The apartment consists of a good sized lounge / diner with large sliding patio doors opening onto a covered terrace with private garden with pergola over which was added by the current owner.

The galley style kitchen comprises a range of base units with worktop, oven, hob and extractor and wall units above.

There are two good sized bedrooms, each with built in wardrobes offering ample hanging and storage space.

The bathroom has WC, bidet, bath with shower over, vanity unit with wash hand basin and mirror above.

This style apartment lends itself perfectly to a modification into a trendy American style open plan kitchen, lounge-diner, an example of which can be seen on our website under Remodelled Apartment (remodelling and interior design by QPM).
