

2 soveværelse Lejlighed til salg i Mijas Costa, Málaga

385.000€

La Cala de Mijas is 5 minutes away and Malaga airport 30 minutes. These off-plan apartments have large terraces to enjoy the climate of the Costa del Sol throughout the year. The orientation is southwest, optimizing views, sun and light. In addition, the large floor-to-ceiling windows create a beautiful transition between the interior and exterior spaces. Top quality materials will be used, including stoneware floors (premium) and quartz countertops in the kitchen. You can customize the apartment of your dreams as various options for flooring, kitchen and bathrooms will be provided. The community will have a swimming pool, gym, sauna and coworking space to ensure that you have everything you need. There are different types available. Ground floor units with gardens, middle floor apartments with large terraces and penthouses with huge solariums. Garage space included. Contact us for more information.
