Welcome to this exquisite beachfront villa located in the highly sought-after Las Marinas area of Denia. Meticulously renovated over the years, with the latest updates completed in December 2021, this charming property combines modern comforts with the allure of seaside living.

On the spacious ground floor, the villa features a master bedroom complete with an ensuite bathroom, along with two additional double bedrooms. One of these bedrooms boasts two large windows, filling the space with natural light, while the other has direct access to a glass-enclosed terrace.
