

3 soveværelse Byhus til salg i Sierra de Yeguas, Málaga

215.000€

Situated in popular Sierra de Yeguas in the province of Malaga in Andalucia, Spain. This fantastic 3 bedroom, 3 bathroom property has a gated community area which all properties have there own private access to, so they can enjoy the pool and gardens. The property is accessed by a private gated entrance leading in to a modern patio to the front of the house that wraps around the house with mature fruit trees and planting leading to a stunning tiki hut complete with bar, barbecue area and plenty of room to entertain and enjoy with family and friends. Once inside the property has a bright modern feel throughout with a ground floor shower room and open plan lounge diner which continues to a large kitchen with central island and plenty of storage space for any chef. On the first floor a central landing gives access to a master bedroom at the front of the property with an en-suite bathroom and fabulous walk in wardrobe. The hall continues to 2 further double bedrooms looking out to the rear of the property and a full family bathroom. The second floor continues to lead to surprises where the current owners have created a great space ideal for a gymnasium, games room or summer lounge with views of the surrounding mountains.
