410.000€

*** Offered by Anderssons.es *** A well-established furnishing business is available for take-over due to owners retirement. Both owners started selling beds as early as 2002. Since then, the business has expanded, and they also sell furniture for Outdoor, Offices, Living rooms, and Dining rooms. They are now resellers for around 55 Nordic suppliers and manufacturers. To mention a few, such as Brafab, Cane-Line, Dan-Form, Mavis, Venture-Design, Timantti, Artwood, Dux, Jensen, Hovden, Atleve The takeover includes the Limites Company, an "In-shop" and warehouse inventory, bank account balance, and incoming delivery of already ordered shipments with awaiting clients for collection. This is a unique opportunity to continue a running business with a large network of clients and numerous contacts with suppliers in the international furniture industry. Suitable for a younger energetic person, who is searching for a carrier with many upcoming years continuing this excellent business. Full detailed Company information is available for serious interest.
