

Landsted til salg i Eivissa, Ibiza

4.250.000€

Building plot in Can Misses on the outskirts of Ibiza. The plot has a size of 2,000 m² and there is the possibility of a construction project of 30 apartments. Very popular residential area! Good inversion! Only a few minutes to the center of Ibiza, hospital and schools in the immediate vicinity. Very good traffic connections. Construction project can only be submitted when the new construction standards are published. Good investment. Please contact us via email, we look forward to making an appointment with you to view the property. We also have numerous villas, houses, flats, apartments, fincas, lofts, shops and plots for rent and sale. Thank you for considering us to be your real estate agency in Ibiza.
