2.580.000€

This house, located on a rustic plot of 70,000 m² in the quiet area of San Mateo, is an excellent opportunity for those looking for a haven in the middle of nature. Surrounded by an idyllic landscape, it is the perfect place for lovers of peace and serenity, where you can enjoy a rural and relaxed atmosphere. The property has a house with 4 bedrooms, a bathroom, a spacious living room and a kitchen, as well as a garage and a storeroom included in the price. The size of the land offers multiple possibilities for agriculture, gardening or any other personal project. It is important to note that the house is not yet completely finished. Some interior improvements will be necessary, such as painting, adjusting the doors and windows, which offers the advantage of being able to personalise it to taste. This is an excellent opportunity for those who are looking for a project to finish according to their preferences, in an environment of tranquillity and natural beauty. We have many more houses, flats, villas, fincas, commercial premises and land for rent and sale on the island. Thank you for considering us as your real estate agency in Ibiza.
