

Landsted til salg i Sant Josep de Sa Talaia, Ibiza

2.600.000€

This impressive 50,000 square metre plot, located in Sa Caleta, offers an exceptional opportunity in the real estate market. With a licence in place, this plot presents itself as the perfect canvas to materialise your architectural dreams in a privileged setting. Located in an elevated position, the plot offers unparalleled panoramic views of both the sea and the surrounding forest, providing a natural setting that will captivate nature lovers and those seeking a unique connection with the environment. This enclave offers the possibility of creating an exclusive residence that blends in with the majesty of the landscape, taking advantage of the serenity of the surroundings and the visual spectacle that unfolds before your eyes. Generously sized, the plot allows for creative and functional planning, ensuring that every corner of your future property is designed to enjoy the spaciousness of the land and the breathtaking views. This opportunity represents not just a property investment, but the chance to build your dream home in a place that combines the tranquillity of the forest with the grandeur of the sea. We have many more houses, flats, villas, fincas, commercial premises and land for rent and sale on the island. Thank you for considering us as your real estate agency in Ibiza.
