

Landsted til salg i Sant Josep de Sa Talaia, Ibiza

2.100.000€

This impressive plot of land in San José, with an extension of 27,156 square metres, presents itself as an exceptional opportunity for those looking to build their ideal home in a prime location. Offering flexibility and custom options, the property is being sold at 2.1 million with full excavation, giving buyers the freedom to design and build according to their preferences. For those looking for a more turnkey solution, the option to purchase the property for 3 million with the structure completed is available. This approach allows for a seamless transition into the creation of a complete, move-in ready residence. Located in San Jose, this land promises privacy and serenity, while benefiting from proximity to local amenities and area attractions. With a topography that offers diverse design possibilities, this property suits a variety of architectural visions and lifestyles. This dual offering provides buyers with the freedom to choose the level of involvement in the construction of their home, ensuring a tailor-made investment that suits their residential needs and aspirations. We have many more houses, flats, villas, fincas, commercial premises and land for rent and sale on the island. Thank you for considering us as your real estate agency in Ibiza.
