Monovar is an excellent place to take a break from the stressful city, it's a very quiet town with a population of just over 12,000. People here are very polite and friendly, always keen to help. The town has several supermarkets (Mercadona, Hiperber...) which are easy to access and open Monday to Saturday, a weekly market and a good 24h medical centre. There are various parks where you can take your children, and a good choice of pubs to have a drink and restaurants where you can try local and Mediterranean food.

In Monovar there's also an indoor swimming pool open all year, with a spa and sauna, as well as a gym with personal trainers,
