### Unique Opportunity: Three-Story House with Infinite Possibilities

If you are looking for a spacious home with endless opportunities to customize it to your liking, this is your opportunity. This charming three-story residence is located in a privileged location that offers you the best of both worlds: space and tranquility.

#### Featured Features:

Low level:

Five spacious rooms: Imagine having all the space you need for your family or your personal projects. The rooms offer versatility and comfort.

Living room - dining room: large living room-dining room for those family lunches or dinners or meetings with friends.

Large Bathroom: The master bathroom is generous in size and designed for the comfort of all family members.

Kitchen: The kitchen is the heart of the home, and this kitchen offers a blank canvas to create your ideal culinary space.

Patio: Enjoy moments outdoors.

Large garage: Do you have a large vehicle or need additional storage space? This garage offers you the solution.
