490.000€

Spectacular west facing duplex penthouse located in the wonderful gated development El Campanario. Located just ten mins from Puerto Banus, built in a typical Andalucían pueblo style featuring subtropical gardens, sculptured walkways, numerous waterfalls surrounded by tropical plants and a featured designed swimming pool with a wooden foot bridge over. The three bedroom penthouse is immaculately presented and offers spacious luxury living. Consisting of large living dining with usable terraces of both the lounge and dining area. Both of which offers views to the gardens, pool and mountains. The lounge area also boasts a bay style window seat. The kitchen is fitted in a country style with fitted quality Siemens (German) appliances and laundry room. The two ample en suite guest bedrooms located on the living level both benefit from being double aspect and also feature cathedral style windows. The en suites are fitted with full baths with showers over and fitted screens. The master suite on the upper level offers a full size double aspect bathroom, fitted with a corner bath, walk in double width shower. Fitted walk in wardrobes and of course the master bedroom which again is ample in size and has a feature high vaulted wooden ceiling. From the master suite you can access the upper terraces that offer a Jacuzzi area. Built in bbq area, spacious terraces for dining and sun lounging. Parking is provided with an underground garage and a private store room, parking for guests can be found in the communal areas of the development.
