

5 soveværelse Byhus til salg i Casariche, Sevilla

79.950€

This townhouse is situated in the heart of this bustling town of Casariche in the Province of Seville. Close to all the local amenities the town has to offer including high speed train link just 15 minutes away. Once inside the property has a typical Andalucian tiled entrance hall that opens in to a central sitting room and continues to two spacious bedroom and a stairwell. On the first floor there are two more bright and spacious double bedrooms. Back on the ground floor a covered patio with central water feature connects the second part of the property which offers a second sitting room small fitted kitchen and full family bathroom. This part of the property continues to a second patio with utility room and access to a roof terrace with storage room. This really is a property that just keeps going and has a lot to offer, must be seen to be appreciated.
