

4 soveværelse Byhus til salg i Estepona, Málaga

990.000€

Now at its final stages of construction. Prime frontline beach development of 50 contemporary designer homes due completion 1st quarter 2019, situated in Estepona within walking distance to the town. This innovative residential project is located in a tranquil setting offering absolute privacy, verdant surroundings and state-of-the-art facilities including expansive swimming areas, a tropical infinity swimming pool, an indoor heated pool, Spa and gym. In addition there is a childrens play area, chill out areas, Balinese style beach beds, cascading waterfalls and plazas, all in a security controlled enclosure. The stylish townhouses are exclusively designed featuring three, four and five bedrooms with panoramic views of sandy beaches and the Mediterranean Sea. Each house has a private roof terrace with Jacuzzi, pergola, ceramic & artificial grass decking, BBQ area and own garage. This is the only contemporary project of frontline beach townhouses on this stretch of coast, home from home with the best qualities and amazing views and 20 minutes from Marbella.
