New contemporary style villas for sale in Casares Costa, currently under construction and due completion end 2018. Set in a prestigious five star estate with 24h security, golf, hotel, Spa, restaurants, a sports club and just 1.5km from the beach. We do not exaggerate when we say you will not find anything like this on the Costa del Sol, a peaceful heaven of natural beauty. The terrain is on a mountainside with enough slope to ensure that all of the houses benefit from wonderful panoramic views over the golf course, mountains and Mediterranean Sea. To adapt to the terrain, the well-respected developers have created various designs, with 5 and 6 en-suite bedrooms, living rooms measuring up to 90m² and 5m high ceiling, modern fully equipped kitchens designed by Siematic, generous domestic staff quarters, parking for 2 cars and private gardens and infinity pools. Marble flooring, underfloor heating system with a hot water circuit, air conditioning with independent regulation panels for every room and fireplace in the living.

The resort offers the possibility of enjoying the services of the on-site five star hotel including meals served in the comfort of your own home, to housekeeping, interior design work and general maintenance and gardening. As an added bonus is the option of having the property rented out and managed on your behalf through the hotel, thus making your investment even more profitable.
