

3 soveværelse Lejlighed til salg i Estepona, Málaga

890.038€

This innovative seafront development due completion mid-2019 is located in Esteponas beautiful town centre, overlooking the impressive wide-stretch beach and will undoubtedly set a new architectural benchmark on a coast that has already achieved well-deserved worldwide fame. Look no further than its spectacular roof sun terrace with Jacuzzi, children's area, gymnasium and infinity swimming pool. These high quality apartments have been designed and built for living and the terraces offer an additional living space that forms an integral part of the property thanks to their continuous floor level. There are 36 apartments which offer different types and layouts, designed to meet the requirements of the most demanding of clients. The uniqueness and elegance of the project can be seen in the height of the ceilings, floor-to-ceiling doors, large-format porcelain floor tiles and the use of wood in bedrooms. Air-conditioning and underfloor heating is aerothermal and the apartments are equipped with home automation systems.
