

2 soveværelse Byhus til salg i Olvera, Cádiz

65.000€

On Its Own is a great spacious family home that has been well looked after, located on a lovely flat street with easy parking in the area where old and new town meet. Double fronted you enter into what is now the dining room, with the staircase to access upstairs on right hand side, off to the left is a living room and beyond the dining room you have the kitchen. On the ground floor On Its Own has a small patio that connects this property for sale to another house behind owned by the same family and can be viewed on listing am243, the family are willing to sell the two together which would give you 213 square meters of space! or separately. Up the stairs you have 2 very large double bedrooms with French doors and Juliet balconies overlooking the street. a family bathroom then a further flight of stairs takes you to the loft areas and the roof terrace.
