95.000€

We are delighted to bring to the market this well proportioned with three double bedrooms. Situated on the corner plot of a very pretty street in the old town of Pinoso Santa Catanina you enter the property into a nice spacious hallway leading to two double bedrooms and a good sized living room with the third double bedroom off of it. To the rear of the lounge there are a set of double doors leading to a nice surprise of a big kitchen and diner area. From the dining area through a door to a small glazed room leading to the bathroom and out to the garden area where there is a second bathroom, different patio area, a roof terrace, two storage rooms and a garage that is also accessed via the side street. This is a very good sized attractive property and with some decorating and a small amount of modernisation could be a stunning property throughout. A really must see property in a great area of a great town.
