415.000€

We have the wonderful pleasure of presenting to you from our agency this wonderful completely private property in a residential environment in the municipality of Yecla located in a residential environment and just 3 minutes from the city center. The property has a completely fenced plot of about 4,800 m2, perfectly delimited and with access through an automatic gate. Outside there is a wonderful well-kept garden with a beautiful swimming pool with a purifier and a bathroom with a shower. It also has a natural grass area and a nice gazebo just in front of the main property. It also has a shed for two cars right next to the house.

Inside we have a completely finished and furnished property with 6 bedrooms and 3 bathroom. The property has a garage with two independent doors with which you can directly access the interior of the property. Its entrance is preceded by a very large terrace with views of the pool and garden, then inside we are greeted by a very spacious hall that gives us access to a beautiful and bright living room on two levels. It has a large, bright and fully equipped wooden kitchen with a laundry room where the washing machine, dryer and a closet to store cleaning supplies are installed. We also have a very large room with a wardrobe, all made of wood, and a complete bathroom with a shower. On the second floor we find 4 very spacious bedrooms, 1 full bathroom and a full bathroom with a hydromassage bathtub in the main room, all of them well furnished and very bright. The property has a complete installation of oil heating and air conditioning splits.

The property has irrigation water, drinking water, internet and electricity.
