

4 soveværelse Landsted til salg i Villena, Alicante

99.900€

This is a magnificent, very special property in a unique natural environment. The property is located within the Sierra de Salinas natural park surrounded by nature and a lot of silence. Nature lovers will like this special property with more than 100 years of history. The property needs complete restoration but it is not a ruin and it is possible to preserve much of its essence. It is a property built entirely of natural stone with two floors according to cadastral data of 269 m2 built, which has a living room with fireplace, several rooms, patio, garage and more than 120,000 m2. Access is good.

A wonderful opportunity.
