

3 soveværelse Byhus til salg i Mollina, Málaga

65.000€

This property is located in the heart of the popular town of Mollina within easy walking distance to all the local amenities including shops, bars, restaurants and local school. The property has double doors that open into a private tiled courtyard area with access to storage room and exterior bathroom. Once inside the property offers a good size lounge diner which opens to a kitchen to the front of the property and a ground floor bedroom to the rear. A central stairwell gives access to two double bedrooms one on the right and one on the left both with plenty of natural light looking out over the courtyard. This property is in need of some updating and would make great base or first time home for someone ready to put their stamp on their own property. Must be seen to be appreciated.
