

3 soveværelse Lejlighed til salg i Torre del Mar, Málaga

322.500€

"Spectacular new residential complex consisting of 40 homes with 1, 2 or 3 bedrooms, distributed in two buildings: one, with ground floor plus 6 floors plus penthouse and another, with ground floor plus 4 floors; sea views, communal pool, children's playground and green areas with gardens where you will lack nothing without leaving home. It also has indoor parking spaces, in a community garage, storage rooms and a large commercial premises.

The Amonite Residential complex is distinguished by its unique and singular design, located in Torre del Mar, one of the most emblematic corners of the Costa del Sol, chosen as a first choice residence for its family-friendly, tranquil character and the wide range of essential services of health, education, large commercial and food areas, restaurants or urban transport.

Just 250 meters from the beach, it is integrated into Sector SUP-T-12. Located just a few minutes from the town center and with excellent access to the highway and neighboring municipalities.

'A perfect way to take comfort to another level. The feeling that there is not, nor will there be, a place like this. '."
