

4 soveværelse Landsted til salg i Yecla, Murcia

279.000€

We are delighted to bring to the market this stunning recently renovated villa in the municipality of Yecla's countryside yet just 15 minutes from the towns of Yecla Jumilla and Pinoso. I visited this property before the current owner moved in and changes they have made are truly stunning. The property now gives a lovely light airy and homely feeling As you enter the property into the main sitting room with log burner and traditional Spanish ceiling leading through into the most beautiful room I think I have ever seen, the kitchen diner. Just take a look at our pictures. Then to the rear and side we have the four bedrooms and three bathrooms all of a good size and all furnished and decorated to a high standard with a classy touch Outside the is a lovely pool area a roof terrace carport driveway and gardens all paying credit to the work on the house this is all contained into a area off around 3000sqm but the is plenty more land totalling 21340sqm As you can probably tell, I don't like this house... I LOVE IT and I'm sure plenty of other people will also MUST SEE PROPERTY VIDEO <https://youtube.com/shorts/ikkG5K4cZLY>
