Cozy 4-Bedroom Country Home with Stunning Views and Paved Access, 11 km from Yecla

This charming 98 m² country house, set on a spacious 3,900 m² fenced plot, offers peaceful rural living just 11 km from Yecla. The home features a bright open-plan kitchen, four comfortable bedrooms, and a bathroom with a shower. Quality finishes include double-glazed windows, smooth oak doors, and terrazzo floors throughout.

Enjoy excellent southern exposure with breathtaking panoramic views and easy access via a paved road. The property currently has water connected but requires the installation of solar panels to provide electricity, making it an ideal opportunity for sustainable, off-grid living.

Perfect for those seeking tranquility, space, and the chance to customize their own eco-friendly country retreat.
