We are pleased to present this 3-bedroom, 1-bathroom townhouse located in the heart of Salinas — perfect for those looking for a renovation project to create their dream home in a charming Spanish village.

The property comes with a reform project already in place, saving you time and planning. The house offers generous interior space with plenty of potential to redesign the layout to suit your needs.

The roof will need replacing, and the entire property requires updating throughout — from electrics and plumbing to flooring and finishes. Once complete, this could be a fantastic permanent residence, holiday home, or rental investment in a peaceful, traditional setting.

Salinas is a friendly village offering all essential amenities, including shops, bars, restaurants, and a medical centre. Alicante airport and beaches are just 35-40 minutes away, making this an ideal location for enjoying the best of inland and coastal living.

A great opportunity for anyone ready to take on a rewarding project — contact us today to arrange a viewing!
