Stunning Villa with Private Pool and Mountain Views in Redován (Vega Baja, Alicante) We present this magnificent property located in Redován, at the heart of the Vega Baja region in Alicante. A spacious and bright home that stands out for its functional layout, large rooms, and excellent features. The house offers three large bedrooms, perfect for comfort and relaxation. There are two full bathrooms—one with a walk-in shower and another with a bathtub—designed to suit everyday needs. The independent kitchen is fully equipped and includes access to a convenient laundry area. The spacious living-dining room features a fireplace, creating a cozy atmosphere during the winter months. From here, you can access the outdoor area, where you'll find an impressive summer kitchen with barbecue, ideal for entertaining next to the large private pool. The property also boasts a solarium with open views of the mountains, perfect for sunbathing year-round, as well as a huge 200 m² basement with endless possibilities (garage, gym, game room, storage, etc.). Additional features include a security alarm system, Airzone climate control by zones, and a water osmosis system for clean drinking water. Located in a peaceful area yet close to all services, this home is perfect as a main residence or a holiday retreat in the heart of nature—without giving up modern comforts.
