Higueroon South Residences: Unique project with hotel services in Higueroon, Fuengirola

Higueroon South Residences features 2 and 3 bedroom homes that are open and spacious, with an elongated sliding door to double the amount of natural light and enjoy better views.

Architecture and nature come together in a dream project: 164 residences surrounded by native vegetation. Consisting of 70 Deluxe Apartments, 49 Garden Villas, 25 Sky Villas and 20 Sky Penthouses.

The design of South Residences is inspired by the Higueroon Hotel. It is based on the same avant-garde style and uses sustainable materials such as Corten steel, stone and wood.

The properties are numbered like a hotel, and that is no coincidence. Those who buy a property at South Residences can enjoy exclusive services offered by the Higueroon Hotel.
