

7 soveværelse Landsted til salg i Yecla, Murcia

250.000€

This magnificent property has a constructed area of 338 m² on a fully fenced 2,000 m² plot, offering a private and peaceful setting ideal for living or enjoying weekend getaways.

Inside, the home features 7 bedrooms, 3 full bathrooms, a spacious living-dining room, and a fully functional separate kitchen. It has oil heating and quality finishes such as oak interior carpentry.

The outdoor areas are designed for year-round enjoyment: a large carport, a large terrace, a comfortable barbecue area for sharing special moments with friends and family, a private pool, and a carport.

Regarding utilities, the home has electricity and drinking water already connected, making it a must-have property to move into from day one.

A unique opportunity for those seeking space, comfort, and contact with nature, without sacrificing functionality.
