

5 soveværelse Villa til salg i La Mata, Alicante

4.500.000€

Modern new-build villa in La Mata with sea views, offering 5 bedrooms and 5 bathrooms across three levels, including a spacious underbuild. Built with high-quality materials such as natural Travertine stone, marble floors and bathrooms, and Reynaers aluminium carpentry. Features include underfloor heating with Daikin aerothermal system, heat recovery, designer Arrital kitchen, and a heated pool with waterfall and counter-current system. Additional highlights include a suspended wood-burning fireplace, motorised security shutters, and elegant finishes throughout.
