Soleil is like being frozen in time with green areas reminiscent of an oasis in the middle of a desert. The original design of this complex at four heights combines contemporary architecture with the highest-quality building materials. Our 2 and 3-bedroom homes have large windows providing warmth to their interior, where everyone will have a favorite corner in one of its bright rooms.

In addition to the large south-facing terraces, the ground level apartments have finished gardens while the penthouses offer spacious solariums that extend around the house.

The large common area stands out, above all, for its stunning resort pool next to the jacuzzi and leisure areas, making it easier for you to fully enjoy the wonderful Mediterranean climate.

Soleil is located in the pleasant surroundings of the Villamartín Golf Course, an urbanization located on the Costa Blanca 30 minutes from Alicante airport and with access to a wide variety of services such as shopping centers, supermarkets and just 15 minutes from the spectacular sandy beaches of the area. This complex combines the tranquility of living in a pleasant environment, having the comfort of all the services at your fingertips.
