

3 soveværelse Villa til salg i Monte Lope Alvarez, Jaén

79.000€

Situated in the lovely village of Monte Lope Alvarez in Jaen province, we are pleased to offer this 3 bedroom bungalow with around 50 m2 of patio. The property has the bonus of an extra 2 storey building, currently used for storage, but could be reformed to make an apartment, or demolished to gain a larger outdoor space.

The property is in a flat area with plenty of space for on street parking. The living accommodation currently consists of 3 bedrooms, 2 lounges, 2 bathrooms, kitchen with fireplace, and a utility area. The patio is in a really good condition and offers enough space to put in a pool.

All of the village amenities including bars, shops, a bank and a pharmacy are all within walking distance of the bungalow. This would be perfect for either holidays or full-time living.

The village of Monte Lope Alvarez is surrounded by open countryside full of olive trees where you can go walking and enjoy nature. It has wide, flat streets, its own bakery, local shops and bars, plus a playground area for children. The busy town of Martos is just 15 mins drive where you find everything you need and there is a local bus service from this village to Martos too.
