

4 soveværelse Villa til salg i Marbella, Málaga

3.980.000€

Nestled in a unique location, this residential project marries luxury with nature through three exclusive villas designed on a single level. It offers a serene Mediterranean lifestyle, where you can bask in the sun, unwind in the chill-out area by the pool, harvest fresh vegetables from your garden, or relax on a lounge as the sun sets on a warm summer evening.

Each villa showcases meticulous architectural design, integrating personalized landscaping and an eco-friendly garden to enhance your connection with nature's freshness. Residents can effortlessly prepare meals using home-grown, fresh ingredients and aromatic herbs like bay leaves, thyme, or lavender, all while experiencing utmost comfort in their homes. Features like spacious terraces, lush gardens, a private pool, and a cozy chill-out zone with a winter fireplace highlight the distinctive appeal.

Additionally, the villas feature an underground garage and a spacious basement, which is fully customizable to suit the unique needs and lifestyle of each family.

Located in the vibrant city surroundings, these properties offer a perfect balance of comfort and nature, priced at 3 590 000 €, with a living space of 658 m² and comprising four bedrooms. This exquisite setting in Nueva Andalucía provides not only a luxurious living experience but also a sense of connection with the bustling charm of Marbella.
