As its name indicates, Cabo Roig is a headland that goes into the sea and therefore is surrounded by beaches, all of them with a blue flag. One of the main characteristics of Cabo Roig is its low density of buildings, where most of the properties are villas on large plots very close to the coast line. This together with its famous white, sandy beaches and the wide range of activities of all kinds related to the sea, the proximity to the La Zenia Boulevard Shopping Centre and the golf courses of Campoamor and Villamartin, make this town a real paradise and a privileged place to spend a holiday, stay long term or even establish your permanent residence. A beautiful and romantic promenade allows you to walk along the entire coastline and connects with the adjacent urbanizations. In the future it is planned to reach the towns of Torrevieja and Torre de la Horadada. Why Choose Movehappy? We would
