

4 soveværelse Villa til salg i Guardamar del Segura, Alicante

1.300.000€

We have one of the last private urban plots in Guardamar Hills of 370m² with views across to the Mediterranean and natural park area that already has a few projects designed for it, ranging from 170m² to 816m² of construction. Here we are promoting the largest design available.

This Villa is total luxury and is designed over 4 levels with a basement spa, indoor pool, bar, chillout lounge, cinema room, wine cellar, games room, plus a summer living room, winter living room, a huge 70m² master suite and 3 further bedroom suites, a sunken garden, outdoor pool, roof terrace and garage. Top of the range finishes is available to choose for this fantastic property. On the Ground level, the villa is accessed via pedestrian gates and a pathway leading to the main entrance terrace on the left of the property, there is also a double car gate with off road parking and entrance to the garage. The entrance lobby opens to the central stairwell with a 36m² summer kitchen and living room to the left opening onto a part covered terrace and feature triangular South facing swimming pool with sun terrace and chill out area. On this level, there is also a storage room and WC.

Winter living is accommodated on the first floor of the villa with a lounge to the South side of the property with a partially covered terrace and views across to the Mediterranean and the Italian designed fully kitchen/diner with all appliances included is located to the front of the villa, with another part covered terrace for outside dining and stairs leading to a full roof terrace, a further store room and WC are also found on this level.

The lower ground floor is made up of the sleeping quarters with a 70m² master suite with dressing area, ensuite bathroom with double shower, the bedroom area has its own built-in entertainment centre and large windows opening onto the lower garden. This wonderful feature of this villa has a stone facing wall and grassed area accessed from all the bedrooms and also from the top pool terrace. At the opposite end of this floor, there is a further large bedroom of 50m² with ensuite and dressing room and patio windows opening onto the lower garden. There are a further 2 bedrooms of 25.5 m² with ensuite and dressing areas and an office.

The basement is where it is really happening in this house, it has been designed in the style of a boutique spa hotel
