Descripción de la ubicación

Torrevieja is a coastal city in the south of the province of Alicante, within the Vega Baja region. It is located in a landscape of high scenic and ecological value on the shores of the Mediterranean and next to the Lagoons of La Mata and Torrevieja, one of the most important wetlands in the Valencian Community and one of the most significant saltworks in Europe. The salt-producing city has a Mediterranean climate heavily influenced by its proximity to the sea, resulting in a very mild average annual temperature and a large number of sunny hours per year, making Torrevieja an idyllic place to live and enjoy the Mediterranean. With a total of 14 km of coastline, Torrevieja's extensive shoreline offers a multitude of beaches, rocky coves, and corners of exceptional beauty: from La Mata beach to Punta Prima, passing through Los Locos, El Cura, Los Náufragos, and Cala Ferrís. Aguas Nuevas is a residential district of peaceful spaces, away from the hustle and bustle of the first line of the coast, but perfectly equipped with all kinds of commercial and sports infrastructures mainly. In this area is located the renowned sports city, . It is very well connected with Los Locos Beach, the best-known coves, La Mata Beach and Natural Area, and with the central district of Torrevieja.
