

2 soveværelse Byhus til salg i Ciudad Quesada, Alicante

250.000€

This is a unique property due to its location and layout. The property has two floors. On the ground floor, there is a low-maintenance 100 m2 garden with different areas for relaxing or socializing. As it is a corner property, the plot is larger and offers a lot of privacy. On the ground floor of the house, there is a spacious and very bright living-dining room connected to the kitchen. The kitchen, downstairs bathroom, and all the flooring were renovated in 2021. Appliances such as the refrigerator and dishwasher are less than a year old. The spacious living-dining room is connected to the garden, making it more practical and functional. The house has automatic blinds throughout. On the upper floor, there are two spacious bedrooms with access to sunny terraces and a large bathroom. The property is located just 300 meters from amenities such as cafes, shops, etc. Less than 700 meters away is the health center and just a short walk away is the main street of Ciudad Quesada with supermarkets, bars, cafes, restaurants, etc.
