

2 soveværelse Lejlighed til langtidsleje i Torrox, Málaga

900€ om eftermiddagen

Imagine opening the windows and having the sea right in front of you. This flat, available for long-term rental during the winter months, is located on the beachfront, right on the Torrox Costa promenade. An ideal location, with direct access to the beach and surrounded by bars, cafés, shops and everything you need for a comfortable stay, without the need for a car.

From the inside, the views say it all: the Mediterranean stretching to the horizon, the golden sand, the Torrox lighthouse, the white old town on the hill and the mountains completing a landscape that never tires.

The property is bright, cosy and very functional. It has two bedrooms — one with a double bed and the other with two single beds — a bathroom with a shower tray and a kitchen with a breakfast bar open to the living room. The entire space is designed to take advantage of the natural light and views, creating a relaxed and comfortable atmosphere.

It is the perfect place to spend the winter by the sea, with a mild climate, all amenities close at hand and a peaceful but lively environment.

Available for long-term rental in winter only.
