

2 soveværelse Lejlighed til salg i San Juan de los Terreros, Almería

175.000€

Apartment with incredible elevated views of the sea and the Mar de Pulpi Phase 4 development!

Platinum Estates Group presents this firstfloor apartment with lift, located a short distance from the beach in the Mar de Pulpi development, Phase 4 Las Azucenas . Call now to arrange a viewing on +34 950 46 61 12!

We present this property with a large terrace overlooking the sea, located in a quiet area of the development. It has 2 bedrooms with exterior views and fitted wardrobes and 1 full bathroom. In addition, its spacious living room is connected to the openplan fitted kitchen and has access to a practical utility room that makes everyday life easier.

The kitchen is furnished and has plenty of storage space as well as the appliances included in the sale of the property (ceramic hob, oven, fridgefreezer, dishwasher), a separate utility room with a washing machine, and plenty of additional storage space.

The lounge has a dining area and a large seating area, with sliding doors leading out to the spacious terrace with a dining area.

This property is a real opportunity if you are looking for a second home or to buy as an investment. The choice is yours! Call us now to arrange a viewing in person or via a live video link on +34 950 46 61 12.

The development is built around two recreational areas, each with swimming pools, childrens pools, sunbathing areas and jacuzzis. There are also playgrounds, biomechanical equipment and play areas. A small river runs through the
