Stunning House with Basement and Large Solarium in La Romana

Discover this beautifully maintained property in La Romana, Alicante, that instantly captures attention. Outside, you can enjoy a lovely pergola and various charming areas adorned with colourful plants.

The spacious living room opens up to a stunning terrace, which can be closed off with sliding windows, allowing you to enjoy the breathtaking views year-round. The kitchen is truly magnificent, and the house features two comfortable bedrooms and a modern bathroom. One of the biggest advantages of this property is the large basement, equal in size to the main house + terrace. This basement already includes an extra bathroom, 2 double beds for when guests or family come over and next to that also around one-third of the basement is used as storage room. As you notice, a huge space that can be used as it currently is or you can easily, and for a very low budget, create two real bedrooms or transfer it in a private apartment, complete with two bedrooms, a living room, and a kitchen.

On top of all these fantastic features, you also have access to a large solarium of 21 m², with spectacular views, perfect for relaxation and sunbathing.

You also enjoy a lovely and perfectly maintained communal pool
