

5 soveværelse Villa til salg i Ciudad Quesada, Alicante

1.499.999€

Attractive completely refurbished villa in the centre of Ciudad Quesada, Rojales. This luxury house has unique sunny conditions and is a property with beautiful views. The plot has 2.244 m², and is nicely planted with palm trees, fruit trees and olive trees. The owner has maintained the charming style of the house, which gives it a distinctive character of being a home. There are 2 complete outdoor kitchens, on each side of the pool. They can be moved according to the sun conditions in both summer and winter, if you want morning sun and/or afternoon sun. In the main house there are 3 bedrooms spread over 2 floors. In the garden there is a garage with another floor above, with great potential to become a beautiful house with living room, kitchen, 2 bedrooms and bathroom. Needs reform/renovation. Beautiful views from the terrace here. In the garden there is a beautiful large salt water pool 6x12m, with light tiles giving a warm feeling of swimming in the Caribbean Sea. Beautiful at night with the illumination. In the main part you enter into an entrance hall, and then into a bright modern kitchen with large double French windows, which open onto the huge terrace. Then you have a dining area and a group of sofas with direct views to the pool area. On the same floor there is a large TV room. On the first floor there is an office with dressing room, then you reach a hallway, and a bedroom with shower and separate WC. From the terrace you can enjoy the wonderful morning sun. In the second part of the house there are 2 bedrooms and 2 bathrooms. There are large double windows in the living room as well as in the bedroom and the bathroom. One of the bathrooms has a shower and a whirlpool bath. Next to the bathtub there are large sliding glass doors, which can be opened all the way up. Here you can enjoy the view of the pool area, especially at night when all the lighting is on in both the pool and the garden. Next to the terrace, off the living room and the kitchen, there are large high quality porcelain glossy tiles. The same tiles are also found in the two outdoor kitchens, in the pool area and in the storage space for garden furniture. - Insulated floors and walls. - Insulated windows and doors. - Water heating with thermostats in each room on the main floor. - Upstairs corridor and bathroom have heating cables with thermostats. - Gas heating - 'top of the range' Dutch system. - Towel heaters in bathrooms. All interior lights are LED with dimmers. All exterior lights are LED. Integrated hot/cold air conditioning.
