Completion date: Estimated 2nd quarter 2024. Handover date: Estimated Beginning 2025. This ground-breaking project aims to offer its future owners beachfront living in a new light and to enjoy more refined experiences. This is the result of a thorough effort intended to conceive a residential project that guarantees its future resident's spacious homes that provide comfort, intimacy, privacy, and tranquillity in a pleasant and prestigious environment. Its commitment to the highest standards also extends to the communal areas, and in what a way... A large, landscaped area wraps the complex all throughout and surrounds its two outdoor pools with carefully manicured gardens designed to beautify and at the same time indulge its homeowners with wonderful views of the Mediterranean due to the gentle inclination of the plot. The Social Club which will be built, located in the highest spot of the project, will unquestionably become a reference for the next decades to come to the whole of the Costa del Sol, thanks to its innovative and avant-garde architecture. By betting on ground-breaking building propositions, residents will enjoy a fully equipped SPA, 200 m2 gym, dedicated coworking area, outdoor exercise facilities for meditation and yoga, and a 40-meter long indoor pool. Last but not least, the jewel of this emblematic social club will be its impressive, suspended infinity pool with breath-taking views of the sea and mountains, complemented by its glamorous cocktail bar where one will have the
