695.000€

Situated just to the northeast of the village of Llubí a finca with a 41.000m² plot of land. This large finca for sale in Llubí is set back from the road on a private driveway with the house and outbuildings in the centre of the plot, two large pastures used for the cultivation of cereals and a hay crop are situated between the house and the road. The finca also has citrus and fig plantations and a large area of pine forestry. Its own well which is licensed and produces 28.000 litres of water per hour. A Three-phase electrical connection for agricultural use and is split into a 220 connection for domestic use for the house. The 363m² of construction is divided between 215m² of living space with smaller parts used as storage. Barns of 92m² to the rear of the house, and a large pond of 56m² which has been used as a swimming pool by the owners. Reformed in the 2002 the house is in good condition and habitable but does require reform. In the house on the ground floor, lounge with chimney, bedroom, kitchen with a large traditional fire place and a dining room. Landry room and bathroom with shower. Above on the first floor two double bedrooms and a bathroom. The accommodation could be enlarged to four bedrooms on the upper floor and by repurposing the garage as a large lounge. Options for a rural guest house the property has sufficient land to qualify and all though the Land Registry document shows the age of the buildings as 2002 in fact it's considerably older which could be proved with aerial photographs, also ideal as stables or as an activity centre.
